Dear Sir,

Revision in Ratings by Fitch

This is to inform that Fitch Ratings on December 14, 2017 placed IDBI Bank's Viability Rating (VR) of 'ccc' on Rating Watch Evolving. The rationale given by Fitch Ratings is that the Bank's standalone creditworthiness could improve or deteriorate beyond the new modifier rating levels, depending on its ability to meet its stated goals to restore capital to satisfactory levels. Fitch believes that an upward VR movement by at least one notch (including to a higher rating category) is more probable than a downgrade by one notch or to 'f' in light of the progress seen thus far. Bank's other ratings are unaffected by this rating action.

You are requested to kindly take the above intimation on record in terms of the provisions of Regulations 30 & 51 of SEBI (LODR) Regulations, 2015.

भवदीय,

कृते आईडीबीआई बैंक लिमिटेड
