In case of single authorization, the taxpayer shall click on the Pay button to proceed as shown above.

The following screen shall appear where the taxpayer shall be required to enter the User id and Transaction Password.

The screenshot shows a web browser window titled "Authentication - Windows Internet Explorer". The address bar displays a URL starting with "http://203.199.57.96/corp/BANKAWAYTRAN;". The page header features the IDBI Bank logo and name. The main content area is titled "Confirm Transaction" and contains two input fields: "Enter your Id" and "Enter your Transaction Password". Below these fields is a "Disclaimer" section with the following text:

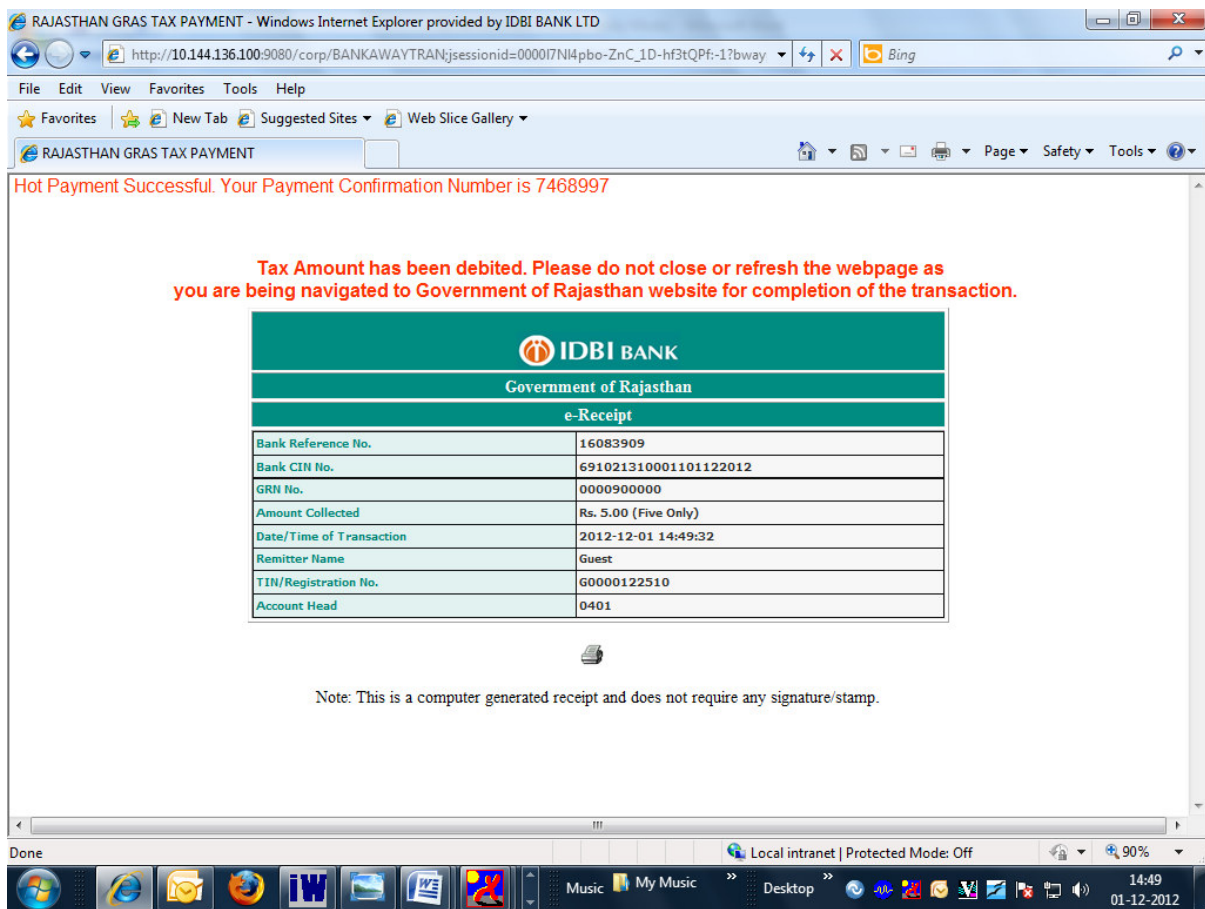

Disclaimer
(RBI directive CSD.RPS/6059/20.41.01/2009-10 dated 19th January 2010)

1. Our Bank does not ask for the details of your Account/PIN/Password. Therefore any one pretending to be asking you for information from the Bank/technical team may be fraudulent entities, so please beware. You should know how to operate Net transactions and if you are not familiar you may refrain from doing so. You may seek the Bank's guidance in this regard. The Bank is not responsible for Online transactions going wrong.

2. We shall also not be responsible for wrong transactions and wanton disclosure of details by you. Viewing option and transactions option on the net are different. You may exercise your option diligently.

At the bottom of the disclaimer section are two buttons: "OK" and "Cancel". The browser's status bar at the bottom right shows a zoom level of "100%".

After clicking the Ok Button, the transaction password shall be validated and amount shall be debited from the taxpayer's account.

A provisional e-Receipt shall be generated at the bank's end as shown above and a return response for the successful transaction shall be sent to the Finance Department, Government of Rajasthan website for updation of transaction status at their end on real-time basis.

The final e-Challan (acknowledgement of the payment) shall only be generated at the Finance Department, Government of Rajasthan website.

Note:

The entire process for payment for Retail Customers shall be same as for Corporate Users with Single Authorisation.

Troubleshooting: Points to check before initiating e-Payment:

- a) Customer should have customer login id, login password and transaction passwords for i-Net banking;
- b) Taxpayers who are using IDBI Bank's Net Banking for the first time are required to change the passwords (both Login and Transaction) before initiating any transaction. Passwords are changed by default request or through 'Customize' menu;
- c) At the time of change in passwords for corporates, a special character and number is mandatory to be inputted;
- d) Inputter and Approver are correctly mapped;
- e) Pop up blocker settings in Tools option of the browser should be disabled;
- f) Before initiating any transaction, please ensure that Bills option is visible in the Net Banking of the taxpayer.
